Re: Notice of File Closure, Joker #1, S/037/071, San Juan County, Utah

Dear Mr. Shumway:

This letter is to notify you that Division file #S/037/071 for your Joker #1 small mining project located in the N ½ of Section 9, T37S, R24E, San Juan County, Utah will be closed. On January 26, 1998, the Division received a Notice of Intention to Commence Small Mining Operations from Calvyn Bradford for this same location. Supplemental information for Mr. Bradford's notice was received on March 2, 1998. This supplemental information identified existing disturbances at the mine site for which Mr. Bradford accepted reclamation responsibility. The Division accepts Mr. Bradford's notice in lieu of an official small mining permit transfer or complete reclamation of the site. The Division hereby releases you from further reclamation responsibility at the Joker #1 site.

If you wish to conduct future mining in this area you will need to submit a new notice of intention and receive acceptance from this Division prior to mining. If you have any concerns regarding this letter, please contact me at (801) 538-5267 or my supervisor D. Wayne Hedberg at (801) 538-5286.

Sincerely,

Anthony A. Gallegos
Senior Reclamation Specialist
